

BCMB COVID-19 Risk Management: Actions required by students

As a student at BCMB on the above course I agree to carry out the following actions to minimise the risk of COVID-19 transmission and help keep all users of the building safe by:

- Wearing a mask in all common areas
- Maintaining social distancing where possible
- Wearing PPE as required when I am giving/receiving massage
- Not entering the BCMB premises if displaying the COVID-19 symptoms as listed on the government website, or if I have recently returned from abroad, or are self-isolating
- Having my temperature taken on arrival
- Allowing BCMB us to pass on my contact details if required for the NHS Test and Trace system
